

NZAMRC National Model Railway

Convention

St Andrews College

347 Papanui Road Christchurch

Friday 10th April - Monday 13th April

Newsletter No. 7

March 2020

Sorry folks but we've had to pull the plug on Christchurch Convention 2020.

Once the Covid-19 outbreak was declared a pandemic we felt the risk was too high to continue.

If you've registered we will be returning your payment in full to the account you sent it from within the next few days.

If you want to nominate another account please email the details urgently to petrosnz15@gmail.com.

The intention is to re-schedule the convention but no date has yet been decided upon. We will email again when we have that information.
