

[CLICK HERE FOR A REGISTRATION FORM](#)

With only **SIX** weeks to go here are another couple of good reasons to get that registration form in

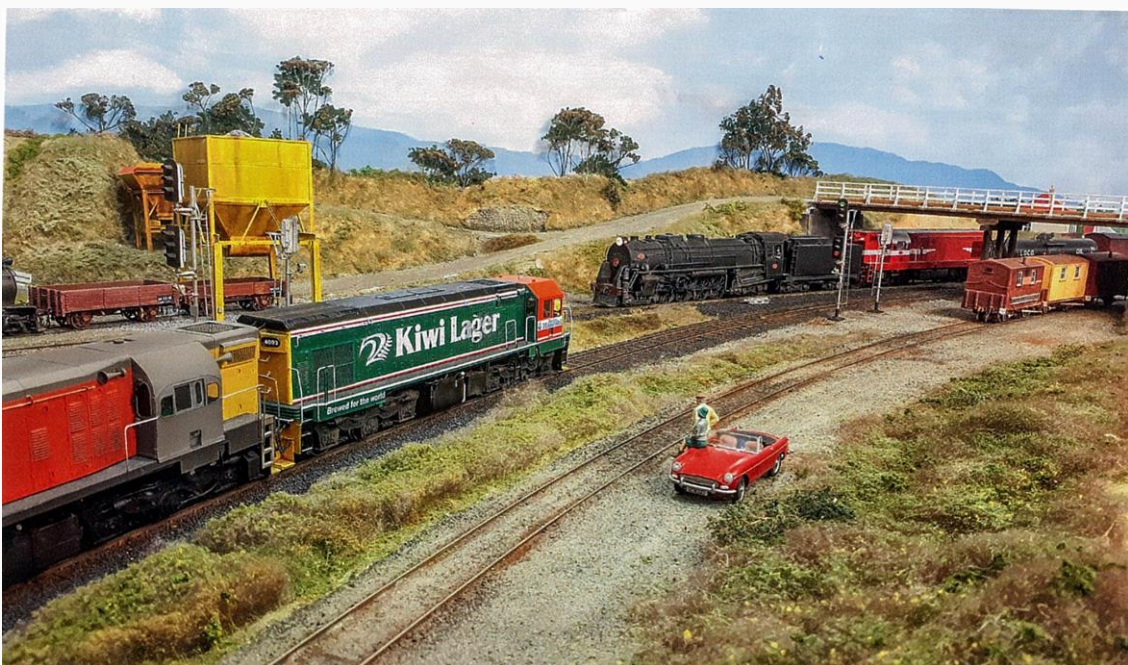

#### LAYOUT TOURS

At least 12 layouts including NZR, USA and European in a wide range of scales and eras.

See below to whet your appetite.

An entirely scratch built O scale layout crafted over the last 50+ years by, at 90 years of age, NSMRC's oldest member.

One of New Zealand's premier 9mm NZR layouts set in the 1950s to 1990s and measuring 16 x 7 metres.

A beautifully detailed NZR S scale interpretation of the NZ West Coast railway between Greymouth and Otira.

The HO scale Pacific Western layout is set in Southern California during the 1990s and operates on two levels.

## COMPETITIONS

There are multiple awards to be contested in each of the Scratch Built and Kit Built Model categories including a range of prototypes and scales. One award in each category recognises modellers under 18 so encourage your young enthusiasts to get busy. The theme this year is WATER which allows for almost infinite possibilities.....
